

LINHAI 800 GT PERKINS DIESEL – Retails \$14,990

Linhai has combined products from around the world to create a new standard in utility vehicles designed for work.

Designed in France, the 800-Diesel is Linhai's latest UTV for 2015.

This work horse UTV is powered by the Japanese 3 cylinder Perkins 403D engine coupled to a CVT dual range transmission made by CVTech in Canada.

Producing maximum torque at just 2000 rpm allows this UTV to tow & carry up to 1400kgs, by adding diesel tractor power and with the speed and capabilities of a UTV, it can take all your equipment to your work site, quickly, safely and with ease. This UTV is truly two vehicles in one !

Linhai 800-Diesel is one of the SAFEST on the market, with Australian Approved ROPS, 5 stud 14 inch steel wheels and decent assist drive system.

This Linhai UTV has been designed for WORK SAFE approval. Ideal Farm Ute
